*About Security Devices International Inc.*

Security Devices International Inc. is a technology company specializing in the areas of Personal Security Devices, Military, Law Enforcement, Corrections, and Private Security. The Company develops and manufactures innovative, less lethal equipment and munitions. For more information on the Company, please visit the corporate website [here](#) or the company's investor relations site [here](#).

*About the Byrna®HD*

The Byrna HD is a well-made, attractive, ergonomically designed, handheld personal security device that is deceptively easy to use, with virtually no recoil. The Byrna™ HD has the size and form factor of a compact handgun and an effective range of 60 feet. It comes with multiple easily reloadable magazines that can hold five .68 caliber highly effective payload rounds designed to burst on impact. Payload rounds include the Company's proprietary chemical irritant rounds designed to burn an assailant's eyes and respiratory system upon contact, and hard kinetic rounds. The Byrna HD provides ordinary civilians - homeowners and renters, RV owners and campers, truckers, real estate agents, parents and grandparents, and anyone whose day to day travels expose them to the threat of a would be assailant- with a non-lethal, effective tool to reduce their exposure to risk and help ensure the safety of their person, property and loved ones. Lightweight, elegant, easy to use and unobtrusive to your daily activities, the Byrna HD is the perfect companion for a secure and active lifestyle.
