(d) Each reporting person has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) Each reporting person has not, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding been made subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The shares that have been acquired by reporting persons were acquired with their own funds totaling approximately \$3,253,678.

Item 4. Purpose of Transaction

The shares were not acquired by reporting persons for any particular purpose, but rather for general investment purposes.

The reporting persons have engaged in discussions with management, the Board, other shareholders regarding ways to maximize shareholder value. The reporting persons intend to engage more substantively with management, the Board and other relevant parties on matters concerning the business, assets, capitalization, financial condition, operations, management, strategy and future plans of the Issuer. The reporting person may also discuss strategic alternatives with interested parties to propose or consider extraordinary transactions including, without limitation, a merger, divesting certain assets, effectuating and participating in a "going private" transaction, or exploring the sale of the issuer.

The reporting persons also reserve the right to seek changes in the composition of the Board and management, or to seek changes in the certificate of incorporation or by-laws of issuer.

The reporting persons intend to review their investments in the issuer on a continuing basis. Depending on various factors, including, without limitation, the issuer's financial position and strategic direction, actions taken by the Board, price levels of shares of the common stock, other investment opportunities available to the reporting persons, concentration of positions in the portfolios managed by the reporting persons, market conditions and general economic and industry conditions, the reporting persons may take such actions with respect to their investment in the issuer as they deem appropriate, including, without limitation, purchasing additional shares of the issuer's common stock or other financial instruments related to the issuer or its common stock or selling some or all of issuer's common stock held by them.
